

Forgotten Password

Please note - only our superannuation and STP clients are able to log in. SMSFs do not have a login. For more information for SMSFs please see our SMSF FAQ page here: <https://clicksuper.com.au/self-managed-super-fund/>

If you need to reset your password, please visit this link:

<https://clickstream.p.vu/Authentication/ForgotPassword>

Clients can also locate the Forgotten Password reset facility on the Login page of ClickSuper. To find this, clients can go to our website (<https://clicksuper.com.au/>) and click the LOGIN button in the top right hand corner of the page as shown below:

The ClickSuper log in page will now be displayed. The Forgotten Password facility is located at the bottom of the Login box - [I forgot my password](#).

Please note: When using the ClickSuper application the users password will expire automatically after 90 days has passed since the previous password was nominated.

Dear System Administrator

In order to Reset your Password please go to link [https://clickstream.p.vu/link=\[REDACTED\]](https://clickstream.p.vu/link=[REDACTED])

Kind Regards,

Client Services

EMAIL support@clicksuper.com.au

The following page will be displayed where clients are asked to reset their password and answer a security question if there is one currently on the account. If there is no security question it won't be asked but clients should ensure to enter one in when they next log in to ClickSuper. Clicking Submit will save the changes made.

Once reset, the password has now been successfully changed and clients can log in to ClickSuper using their new password. If you experience any difficulty, please email us at support@clicksuper.com.au confirming the username that you are trying to reset the password for and we'd be happy to help.

If you are unsure of your username please contact the support team either by chat or emailing us at support@clicksuper.com.au. Please have the ABN of your organisation ready so we can assist you promptly.

If the contact for your organisation has left and access needs to be provided to a new staff member please see the following link: [Changing company contact](#)
